Managed Blue for SeniorsSM

3 Tier Prescription Drug Coverage

[Summary of Benefits](#)

City of Boston

This health plan, alone, does not meet Minimum Creditable Coverage standards and will not satisfy the individual mandate that you have health insurance; however, the Commonwealth of Massachusetts has stated that enrollment in Original Medicare (Medicare Part A and Medicare Part B) satisfies these standards.

Your Care

With Managed Blue for Seniors, you have the convenience of selecting a doctor who is close to your home. Your primary care physician attends to all of your health care needs, including hospital services and referrals to specialists.

And we make health care easy. With Managed Blue for Seniors, there are no forms to fill out and no waiting for insurance checks. In most cases, you're covered either in full or with just a **\$10** copayment.

When You Travel, You're Covered.

As a member of Managed Blue for Seniors, you'll receive a Blue Cross and Blue Shield ID card. It's one of the most recognized health care cards anywhere. So, if you have a medical emergency away from home, you won't have to worry about an out-of-town hospital not recognizing your coverage. You're covered for an emergency room visit and one medically necessary follow-up visit with a copayment for each. If you're admitted to the hospital, your copayments will be waived, and you'll be covered in full.
